

25 Google Map Citations | Authority Directory Submission Service

\$299 [ORDER HERE:](#)

\$599 to create a new Google Map Listing or listing re-writes

Creating Google Map citations is the process of submitting your site to authority directories to increase your **Google Local Map Ranking** and to increase relevant traffic to your website.

Your Google Map Listing needs directory citations!

Even though you created a Google Maps profile, moving it to the top spot in the search results ladder requires quality citations from authority websites on the internet.

Our service is the easiest and most affordable way to acquire 25 of these authority citations to super-charge your Google Places profile and boost your overall domain authority!

We guarantee 100% approval—meaning, you'll get 25, live verified listings.

Key features:

- ✓ Great for local businesses
- ✓ Adds link diversity and credibility to your site
- ✓ We use videos, photos and other media to make listings more attractive
- ✓ We build and verify listings; we don't just submit, our work will result in better rankings
- ✓ Saves you time & "hassle factor" of tedious task
- ✓ Get citations from quality online sources
- ✓ Quality backlinks from niche categories
- ✓ Expert research and submission
- ✓ Full Reporting with URLs and User logins & Passwords
